Description

SKY GARDEN is first building named Rowan,in the underground built car park and 48 apartments with full Interior finish, furnished bathrooms and sanitary knots (plumbing-Ideal Standart), built-in kitchens with AEG household appliances and built-in cupboards in the hallway. The new housing design concepts are based on the historic environment and natural advantages and synergies of design possibilities offered. Often we don't even appreciate the natural advantages. There are many plants that provide air, food, medicinal and other useful resources for the well-being of the people. Complex \SKY GARDENS\ developers have realised and taken care to complex population can live in accordance with nature, demonstrating the importance of Green thinking in our lives. So complex \SKY GARDENS\ each House has its own plant names. \SKY GARDEN\ is a residential complex with complete infrastructure, urban city. It is the first of its kind project in Jurmala, where developers have come to attention all essential things about the household needs, without which the met is unimaginable in modern man's convenient, comfortable, everyday life, namely, healthy food, municipal services, wellness, sports and relaxation. Real estate in Jurmala \SKY GARDENS\ 13 residential building complex brings together a total of 300 apartments. The modern apartments have a comfortable, modern houses and buildings to cozy ergonomic housing design, underground parking place of the bicycle parking are also built with roof terraces and closed courtyards. The first-floor apartments have fenced off terrace, from where you may get greened yard, while the upper floor apartment owners each own roof garden-shrubs and sunny roof terrace. The roof garden serves as the home and surrounding environment, its unifying theme is the opportunity for all residents of the House roof terrace which is shared on every roof, the original tool for private events. On the roof installed, sharing space with a

fireplace Grill, a small kitchenette and sanitary equipped nodes to home dwellers and their guests feel comfortable maximum events. In this project are more flats with different prices. In offer more flats in another new projects from developers and private persons.
