Description

Sinalunga, Tuscany - Siena:

In a small town of Tuscany, surrounded by woods and farmland, townhouse of 110 square meters on three levels completely renovated.

The façade of brick and stone retains its original appearance, as well as the interior with arches on the ground floor, brick parapets and lintels on the windows.

The current owners have chosen to contrast the rustic exterior with very modern interiors while maintaining historical records, as glimpses of walls, remember how it appeared in the past. The taste in the home makes it very comfortable.
