Description

Catania , Sicily - Catania :

A few kilometres from a small village, on a hilly and panoramic position, newly built Villa, surrounded by 7.5 hectares of land located at the junction of two rivers.

The position where the property is located is excellent: we are halfway between Taormina, Catania and Acireale, towns rich of historical attractions.

The property is easily accessible as it is located only 6 km from the exit of Giarre Catania-Messina, about 20 km from Catania.

This location, in the middle of trails and natural attractions of the Monte Etna, make the property appealing under the turnover point of view.

The reconstruction was carried out by maintaining the architectural value of the original building.

This result was obtained by choosing carefully the materials and restoring large parts of the façade using the original lava rock.

The modern elements blend seamlessly into the context.

The house is divided as follows:

- Ground floor (which covers 898 square meters):
 - Large living room or restaurant / pizzeria room,
 - Toilets (used by the restaurant)
 - Large kitchen for restaurant and banquets (165 square meters)
 - Kitchen storage
 - Multi-purpose hall (for dance, conferences, cinema, etc.) - Large

garage
