 Jūrmala, Bulduri

Price

2200 €/month 37 €/m²

Description

For rent apartment in the heart of Jūrmala in the new project. Apartment with all conveniences furnished. Apartments in this house built specially for those who knows how to and loves to relax from the city noise, inhalation of solar heated fragrance of pine and the sea breeze, listening outside the window the bird song and enjoying the natural landscape. The new three-storey house is located in the active centre in the vicinity, in a quiet residential area, 5 minutes walk from the sea, just a 10-minute drive from the centre of Riga. To the shop and the train is about 15min by foot. No pets allowed, except those permanently located būrītī. The price includes utilities and place in a closed parking lot. If you have multiple machines, then they can be left on the street. The project is surrounded by well-developed infrastructure – nearby are the shopping centres "Rimi" and "Maxim", Bulduri market and near public transport. The apartment also has internet and a tv with satellite.
