### Description

The pine home cube is located next to the forest, in the depths of the site. On the North side of the territory, along the Avenue (dzintaru prospekts) natural grove of trees preserved and incorporated in the overall composition of the landscape. The building consists of 15 residential apartments located around a richly decorated Central hall of the atrium-style, which houses an Elevator and staircase. Apartment 1st floor. Have terraces, enclosed gardens, 2 and 3-storeyed. – balconies and terraces, Including the Owners of apartments 3 floor have a wide terrace placed on the roof of the building. Each apartment has underground Parking. The house is located 100 metres from the sea. In walking distance – restaurants light house and giardino, Dzintaru concert hall and the Jomas street is massive and the horizontally elongated housing building in tone and texture of the surface resembles the trunk of the pine-trees of jūrmala. Dynamics of the volume achieved through lightweight design with clear glass Bay Windows. Cubic Bay Windows allow the owners to enjoy panoramic views in three directions.
